Hi Sean and Karen, thanks for the feedback and information on 316(b). Attached above is the language for the Grand Coulee Dam (FS – p. 34-38; permit – p. 14-17). I will be going out for draft 401 cert by Friday.

Also, Sean, can you refer me to the court case that compliance schedules are allowed for the 316(b) BTA? I'd like to include this in the Fact Sheet before I go out for public comment.

Thanks!

Jenny Wu
